

# Learning & Giving Back at SMK!

What? Students will be celebrating the 100<sup>th</sup> Day of School involving lots of fun activities with the number 100!

When? Wednesday, January 30th on the 100<sup>th</sup> Day!

How? Every student is being asked to bring in 100 pennies for the 100<sup>th</sup> Day of School!

Why? We will use the pennies in a variety of fun activities in class & then donate them to the Jubilee Cupboard, a local food pantry in Ware, to give back to the community & help those in need!

The grade with the highest amount of collected pennies will earn a special reward!
