A MESSAGE FROM THE PRINCIPAL:

I can't believe October is already here! Together we have navigated this "new normal" at school. I appreciate the flexibility and patience of our staff and students. They have been making the best of a challenging situation and are making sure that the focus is on teaching and learning.

I also want to show my gratitude for our parents and guardians who are supporting students at home. This is no easy task! Your input is important to us and we love hearing from you. If you have any questions or concerns, please email:
